Health Care Benefits

If you are a regular employee and work 20 or more hours per week, you are eligible to enroll in health care benefits. Your benefits become effective on your date of hire. You may also enroll your eligible dependents in the Medical, Dental, and Vision plans, as applicable. Verification of dependent eligibility will be required upon enrollment.

Eligible dependents include:

Medical and Prescription Drug Benefits

IDEX provides several coverage level options, so you can select how you pay for your medical insurance now and if something occurs in the future. Each coverage level is available from different insurance carriers at different costs.

- **Bronze**—A high-deductible option with prescription drug coinsurance that makes you eligible for a Health Savings Account (HSA)
- **Bronze Plus**—A buy-up to the Bronze option—a high-deductible option with prescription drug coinsurance that makes you eligible for an HSA
- **Silver**—A high-deductible option with prescription drug coinsurance that makes you eligible for an HSA
- **Gold**—A lower-deductible option with prescription drug copays
- **Platinum**—A low-deductible option with prescription drug copays that covers in-network care and offers limited benefits for out-of-network care (or, for some insurance carriers in CA, CO, DC, GA, MD, OR, VA, and WA, an HMO option with prescription drug copays that covers in-network care only)

Please refer to the next page for details on the coverage level options.

Note: If you live in California, your options will be different, depending on the insurance carrier you choose. **Learn more** about your California coverage options and insurance carriers by visiting the Make It Yours website at idex.makeityoursource.com/medical/california-medical-coverage-level.

IDEX Wellness Program

Any employee who is eligible for regular IDEX benefits is eligible to participate in the IDEX Wellness Program through Virgin Pulse. Additionally, employees enrolled in an IDEX medical plan can earn up to \$900 per year. Covered spouses/domestic partners can earn up to \$448 per year.

There are two components to the program:

Annual Actions: Complete a biometric screening, health check survey, and annual physical attestation to earn rewards. Rewards for these actions are paid via payroll every pay period.

Annual Action	Annual Employee Reward	Annual Spouse/Domestic Partner Reward
Complete a biometric screening	\$240	\$120
Complete the health check survey	\$120	\$60
Complete your annual physical exam	\$120	\$60

Quarterly Points and Levels: Complete activities to earn points every quarter. You can earn points in a variety of ways. Upload steps from an activity tracker, track healthy habits, track nightly sleep, browse healthy recipes, set a wellbeing goal, and more! You can find the full list of ways to earn online in the Virgin Pulse portal.

These points accumulate to reach one of four levels. Earn the reward amount for each level achieved. For example, an employee earns \$10 if level one is achieved or \$30 if level two is achieved (\$10 + \$20) within a quarter. See the chart below for more details. The reward is paid as a lump sum as soon as administratively possible after quarter close.

Points Earned	Level	Quarterly Employee Reward	Quarterly Spouse/Domestic Partner Reward
500	Level 1	\$10	\$5
4,000	Level 2	\$20	\$10

Please refer to the program for specific details.

Create an account by visiting join.virginpulse.com/idexcorp. You can also download the Virgin Pulse mobile app from the Apple App Store and Google Play. You and your covered spouse/domestic partner must create individual accounts.

Savings and Spending Benefits

Health Savings Account (HSA)

If you enroll in a high-deductible medical plan, IDEX includes a Health Savings Account (HSA), which allows you to contribute pre-tax dollars to an account to pay for qualified health care expenses. The money in the account is yours to keep, and funds roll over from year to year. For 2024, your contributions may total up to \$4,150 for single coverage per year and \$8,300 for family coverage per year. If you're age 55 or older (or will turn age 55 during the plan year), you can also make additional pre-tax "catch-up" contributions to your HSA up to \$1,000. When your HSA balance is over \$1,000 you are able to start investing your funds. The monthly administration fees to invest your HSA funds are paid for by IDEX.

Flexible Spending Accounts (FSAs)

IDEX offers three Flexible Spending Accounts that can help you save for qualified health care and/or dependent care expenses: the Health Care FSA, the Limited Purpose FSA, and the Dependent Care FSA. You are eligible to contribute to the Health Care FSA if you are enrolled in the Platinum or Gold plans. If you enroll in the Silver, Bronze Plus, or Bronze plan, you are eligible for the Limited Purpose FSA. The Limited Purpose FSA can be used for dental and vision expenses only. You may contribute to a Dependent Care FSA regardless of which medical plan you choose. You can roll over up to the IRS maximum amount from year to year, and you must re-elect your contribution amount each year during the enrollment period. For 2024, you may contribute up to \$3,200 per year to the Health Care FSA, and up to \$5,000 per year to the Dependent Care FSA. The Limited Purpose FSA follows the same guidelines as the Health Care FSA.

IDEX Corporation Savings Plan

The IDEX Corporation Savings Plan offers two valuable employer contributions: the IDEX 401(k) employer matching contribution and the DC contribution.

401(k) Pre-tax Employee Contribution and IDEX Matching Contribution

The Retirement Savings Plan allows you to save through pre-tax payroll contributions. IDEX matches the first 8% of your contributions at 50% of your contribution to a maximum of 4%. If you do not make an election within 31 days after your date of hire, you will be automatically enrolled in the 401(k) Plan with a 4% contribution. Each subsequent January, your contribution will be increased by 1% until your total contribution is equal to 8%. Once you make an election, the automatic enrollment process does not apply. Visit www.vanguard.com to set your contribution amount. The employer matching contribution vests 20% each year and is fully vested after five years of service.

DC Contribution

The DC Contribution is fully funded by IDEX, with no employee contributions required. The DC contribution is based on a percentage of your eligible earnings. The contribution percentage is calculated based on your age + years of service. You are fully vested in your DC contribution after three years of service.

Total of Your Age + Years of Service*	% of Your Eligible Earnings
Less than 40	3.50%
40 up to 55	4.00%
55 up to 70	4.50%
70 or more	5.00%

* Employee's age and service are truncated to whole years prior to being added together.
